

**Listing ID: 2257**

**Company Name: Brian Baumal**

**Description: I am a post-graduate student in Gestalt Therapy. I deal with anxiety, grief and depression. Some clients I see also have a desire to change but don't know how or struggle with success leaving them unfulfilled.**

**I use humour and a good dose of common-sense to find those missing pieces in my clients lives. My clients develop more flexibility and clarity and greater acceptance of themselves and others. They have more courage to live life**
